The Class of 2000

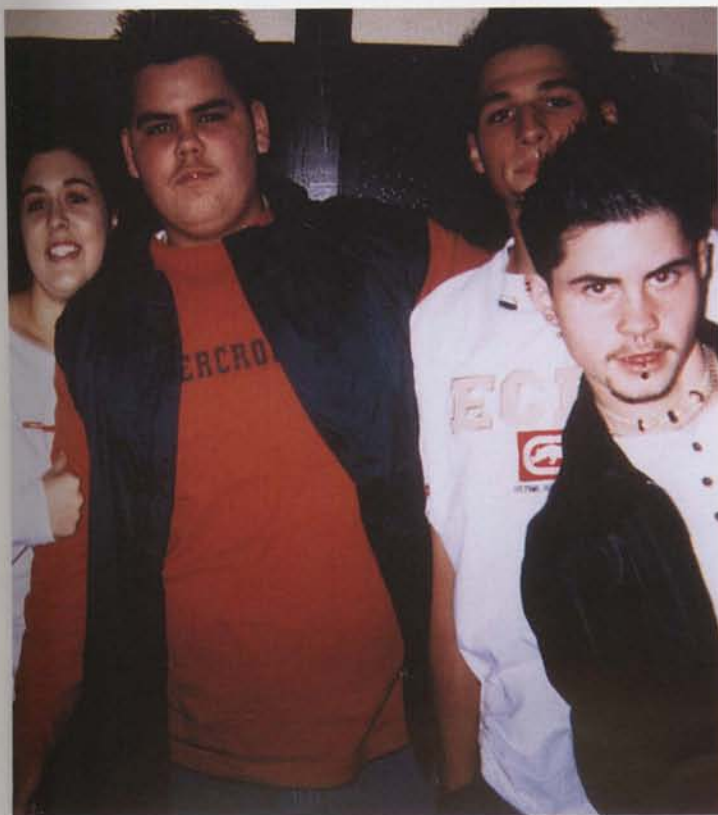

How quickly can four years pass us by? As we reach the end of our high school days we must remember our past here at B.M.C. Durfee High School.

We must remember that it was at Durfee where we made friends, shared our deepest secrets, our hopes and our fears. It was for Durfee we cheered. It was at Durfee where we have learned life long lessons in responsibility and respect. Our experiences, the crazy changes we were subjected to, the teachers who taught us, the things we learned, in and out of class. These things have all shaped us into the people that we are now. To quote Lord Tennison, "I am part of all that I have met."

As the year 2000 moves forward, the Class of 2000 must prepare to enter a new phase of their lives beyond Durfee. As we walk across that stage to receive our diplomas, let us not forget the people that made Durfee home for the four years that we were here.

Durfee

Activities

Christina, Jessica, and Janessa relaxing in Journalism right after meeting a big deadline.

Kayla, Kevin, Danny, Tanisha, and Jimmy have all been taking Journalism for at least two years and enjoy it so much.

Journalism

Journalism is a course offered at Durfee which gives students the opportunity to improve on their writing skills and take part in the school paper. This is useful for both school and the future.

Press Club

The Press Club is the social and fund-raising part of the Durfee Publications. Money is raised through various carnation sales sold around holidays, and goes towards scholarships at the end of the year. Press Club members are dedicated workers who are always ready to devote their time to whatever needs to be done.

Illtop

The Illtop, a spin off of the Durfee Hilltop, it is an alternative newspaper that lets students express how they feel about controversial issues. Just recently started, the Illtop has already been entered into various contests in Boston, and although just recently founded, has set a path for future ways.

Two Journalism I students learning how to become better writers and journalists.

Owen, busy at work. He edits the Ill top and is also working on the Phoenix Nest.

Brian and Jay reading the paper looking for ideas to write their own articles on.

The Hilltop

Yearbook

The Durfee Hilltop, our school newspaper, is published by students twice a month. The staff members, as well as guest columnists, write articles and editorials on various events that occur throughout Durfee and the local community.

The yearbook is put together by an editor and a few other people. They put together pages by cropping pictures, forming layouts, and gathering information on school events.

The French club from freshman year making chocolate fondu at a meeting after school.

Charlie Sousa participating in a French cultural dance that the French club participated in.

Learning a Second Language

The Language Department and clubs are fantastic at Durfee. Not only do students receive the opportunity to learn a second language, but also to learn about other cultures.

French Club

Spanish Club

The French Club is for students who are currently taking French. Its purpose is to increase the students' knowledge of French culture. The club takes trips to mansions, museums, plays, and other events. They hold meetings once a month.

The Spanish Club is for anyone interested in Spanish culture. The club participates in activities such as visiting museums, watching Spanish plays, and going to Spanish and Mexican restaurants.

A table of the Portuguese Club members on a field trip getting ready to eat.

Liz and Andrea working at the annual soup kitchen that the Portuguese Club organizes with the Science Club.

The Portuguese Club practicing their dancing skills on one of their field trips to a Portuguese restaurant.

Portuguese Club

Shakespearean Society

The Portuguese Club is for any student interested in Portuguese culture. They visit museums, plays, and Portuguese restaurants to learn about the culture.

The Shakespearean Society is a club run by Mr. James Tavares. They organize a festival in which Shakespearean plays are brought to and performed at Durfee to increase the understanding of Shakespeare's time.

Pam, Rita, Mandy, Cristina, and Tonya in New York on a field trip with the Fashion Club.

Stacy and her friends posing in front of the giant Christmas lights in New York.

After School Activities

Many students take part in the clubs at Durfee. This gives them a chance to meet more people, get involved, keep busy, and stay out of trouble.

Career Explorers Club

The Career Explorers Club is aimed for students who want to explore different careers. Here, they have the opportunity to see what different careers have to offer them.

Fashion Club

The Fashion Club is a fairly new organization. They have only been around for two years. The club organizes a fashion show of their own. They also go to see other fashion shows. This year, they went on a trip to New York.

Competition Majorettes

J.V. Cheerleaders

Competition Majorettes is an organization that competes eight times a year. They practice twice a week throughout the year to perfect their routines. Under new advisor Ms. Kelly Estrella, these girls hope to have a successful season.

The Junior Varsity Cheerleaders support the J.V. Basketball team through their cheers at the home games. These girls have a lot of energy, and are the future of the Varsity squad.

Janessa and Nick at the N.H.S. induction ceremony just waiting for it to start.

A lunch table of mostly N.H.S. members, what a smart table!

Hard work pays off

For four years, students work really hard, and once your senior year arrives, it pays off. You realize how much you have done and how much time you have volunteered, while others around you notice it too.

National Honor Society

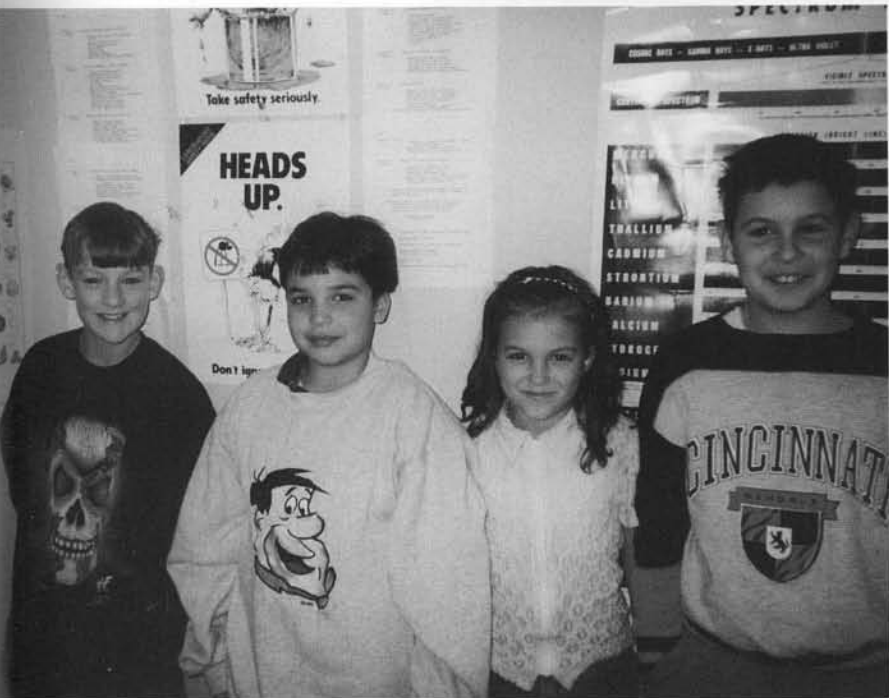

Future Educators Club

National Honor Society is an organization that is strictly for seniors who excel in the classroom. They are honored for their accomplishments at an annual awards ceremony.

The Future Educators' Club is open to anyone interested in pursuing a teaching career. These students go to schools around the city to shadow teachers and see what they do. This year, the club attended a convention in Orlando, Florida.

These are two different classes of mentor children who were involved in the science program. They came to Durfee once a week for about sixteen weeks.

The turkey trot, one of Student Government's many activities, is always a great success.

Student Government

Mentor

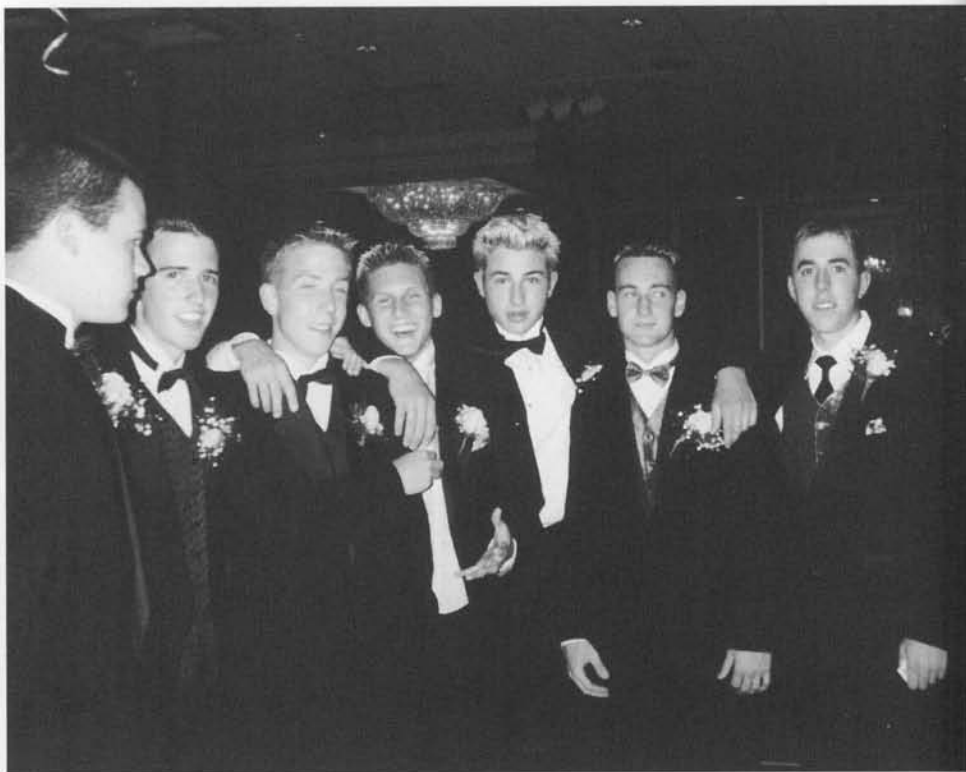

Student Government is an elected organization. The purpose of this group is to get people to participate in school activities and to have school spirit. They also help recommend ways in which the school can be improved. They are also responsible for the annual blood drive, which is always a great success.

The students of the Mentor Program teach elementary children in a variety of different subjects. The children come from various elementary schools around the city either by bus or walking. It's not only a great experience for the children, but for the mentors as well.

Some of the guys took time out of their busy night to take a picture at the prom.

Rose, Christine, Melanie, and Tania at the Junior Prom. This night took the prom committee a long time to plan .. Enjoy!

Unforgettable Memories

Many of the events, like proms, are some memories that most of us will remember forever. The chance to repeat them again is impossible, but the memories we hold on to are everlasting.

Junior Prom Committee

Senior Prom Committee

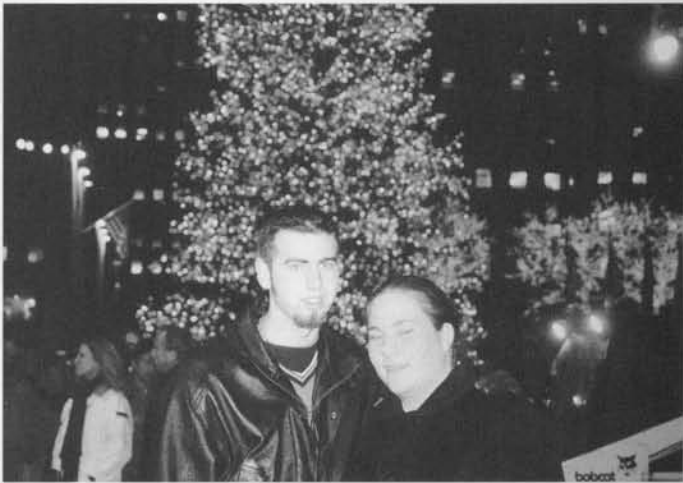

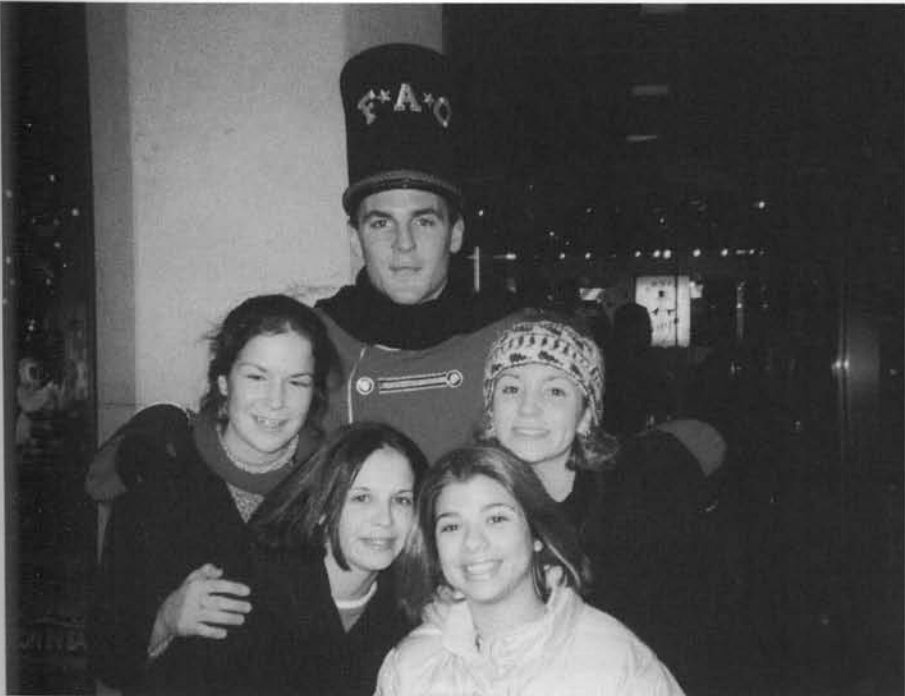

The Junior Prom Committee is responsible for the preparation of the prom. They have to meet throughout the year in order to get everything ready. The day of the prom, they must decorate, and make sure that the night will be a success.

The Senior Prom Committee also must prepare throughout the year, raising money through various fundraisers to help defray the costs of tickets. They have the responsibility of picking out the favors, decorations, and centerpieces.

The Business Club's trip to New York was a great success, especially for the girls who got to go shopping.

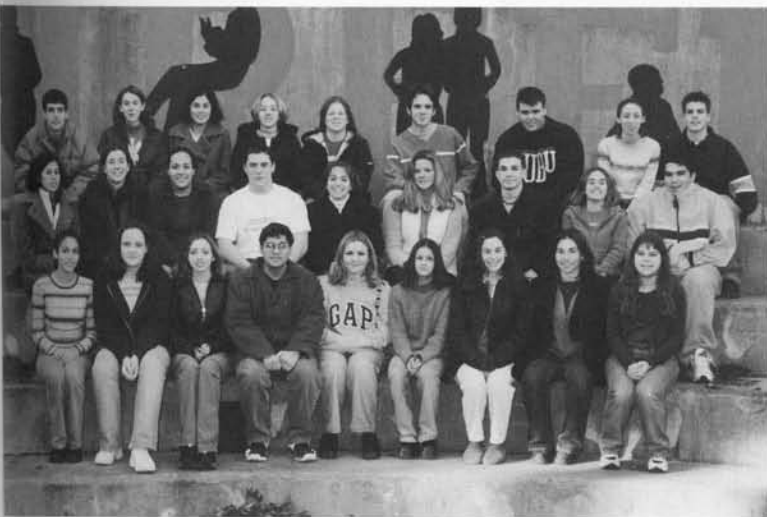

The girls took a picture with the soldier outside of F.A.O. Schwarz, a very large toy store in New York.

Zack and Jill enjoying their field trip to New York. The lights are so pretty in the dark.

History Club

Business Club

The History Club is made up of students interested in history. They meet approximately once a month to plan and discuss the field trips that they attend. They also make a yearly trip to Europe where students are taken on various tours to learn about different places in the world.

The Business Club is run by Ms. Mary-Beth White. It is made up of various students who take business courses throughout the year. This year, they took a trip to New York along with the fashion club.

A bunch of the girls gathered around at the Science Club Christmas party.

Mole Day in Mrs. Grillo's room is filled with fun, food, and extra credit.

Good Times

Involvement in activities and clubs have left us with many memories and plenty of good times. Along the way we met some of our closest friends and companions.

Science Club

The Science Club is made of students who are extremely interested in the sciences, whether it be biology, chemistry, or physics, which are all combined. They sponsor two soup kitchens and take a yearly trip.

Varsity Club

The Varsity Club is an exclusive club for students involved in a varsity sport. The club's purpose is to create an interest in competitive athletics and to encourage school spirit.

All the new mediators got their certificates after completing a training course at the school.

During their training, the mediators had to do some cooperative activities to help them learn how to work as a group.

Here Sok Lon, Melissa Barbosa, Becky Ward, Corylyn Soares, Jennifer Pereira, Ryan Hockert-Lotz, and Katie Manchester are trying to get out of a human knot during their Peer Mediation training session.

Peer Mediation

Peaceful Correlation

Peer Mediation: The S.C.O.R.E. Peer Mediation program is in its 8th year at Durfee High School. The program was created by the Office of the Attorney General to reduce violence in schools by pro-actively dealing with conflict. Students are able to settle their disputes peacefully with the aide of trained peer mediators. Mediators participate in a number of skill-building activities including A World Of Difference Youth Rallies, fundraising events, and presentations at various community organizations.

The Peaceful Correlation Boys' group was created to help promote tolerance and respect among our students. Members of the group meet weekly to learn about and discuss a variety of topics related to adolescence. In addition, members are involved in a number of skill-building activities that begin to form a foundation of understanding, responsibility, values and teamwork.

Cosmetology

Senior Amanda Pereira works on Lindsay Santos' hair. Doesn't it look beautiful? Win another award, Amanda!

The entire cosmetology class gathers together in one big group photo.

Dunfee History

Class History

Honor, pride, dedication, and enthusiasm will mark the last four years of the memorable and unforgettable class of 2000. Wednesday September 4, 1996 commenced our high school careers. We were filled with moments of happiness and sadness, times of triumph and trouble, and seasons filled with wins and loses.

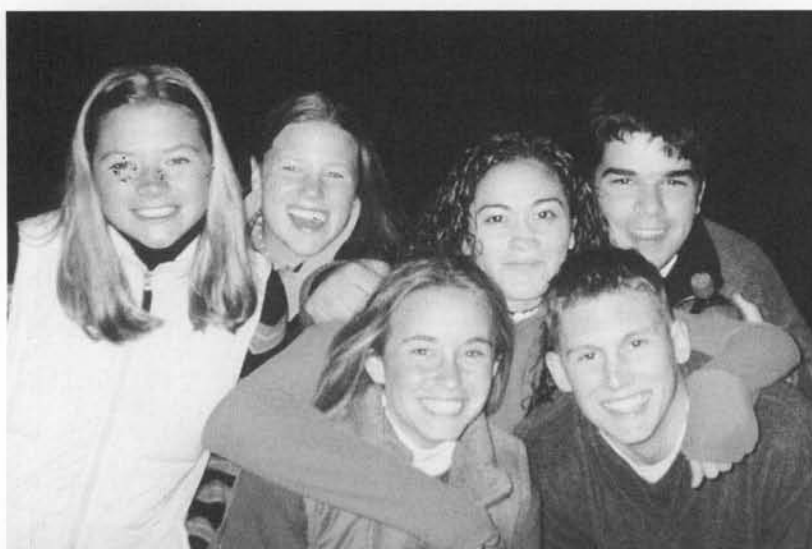

Instantly, we stepped upon the building blocks of what was to be our future. We have met many new challenges in our academic classes and have explored the various extracurricular activities that have best suited our talents and interests. But, above all, we have made friendships to last a lifetime. We are confident that the friendships that bind us closely now will last through-

out our lifetime. As the 20th century has come to a close, we reminisce on the reflections that have prepared us to be leaders of the New Millennium.

On September 4, 1996, we entered Nagle auditorium as apprehensive freshmen. We were greeted by Mr. Albert J. Attar, our principal, and Ms. Marina Ventura, our vice principal, who would guide us through our high school journey. After the welcoming assembly we were taken to our homerooms. There, we filled out our emergency card and paper schedules. We soon realized our high school years had begun. The maze of units, lobby staircases and non-sequentially numbered rooms left us confused and late for our first day of classes. Just after a week

we felt like part of the Durfee community. Some of us had already begun to play fall sports and playing in the band because they had both held tryouts throughout the summer months. We were also becoming acquainted with the wide variety of activities that Durfee had to offer. Soon

after the year had begun, we elected our class officers to the Student Government. We had begun to build the Class of 2000. Before we knew it, Durfee pride had come into play. Spirit Week arrived and we dressed in crazy ties as well as red and black. The pep-rally led us to the Thanksgiving game against our greatest rival, New Bedford. After the Thanksgiving celebration, we attended our first homecoming ball. The theme was "A Kiss From a Rose."

During all of this excitement, the City of Fall River was honored to have the President of the Untied States of America, William Jefferson Clinton, make a campaign visit to Kennedy Park. Some of us were lucky enough to be among the thousands of supporters who came to see him.

The athletic department also underwent many changes that fall. Thomas "Skip"

Homecoming Candidates Bob Rodriques and Katie O'Hearn at our 1999 Homecoming.

Karam retired and Thomas Burns, who was a coach and gym teacher filled his position. The winning tradition at Durfee continued with the girls' softball team having an amazing season with a record 18-2. They were seeded #1 in the South Sectional Tournament.

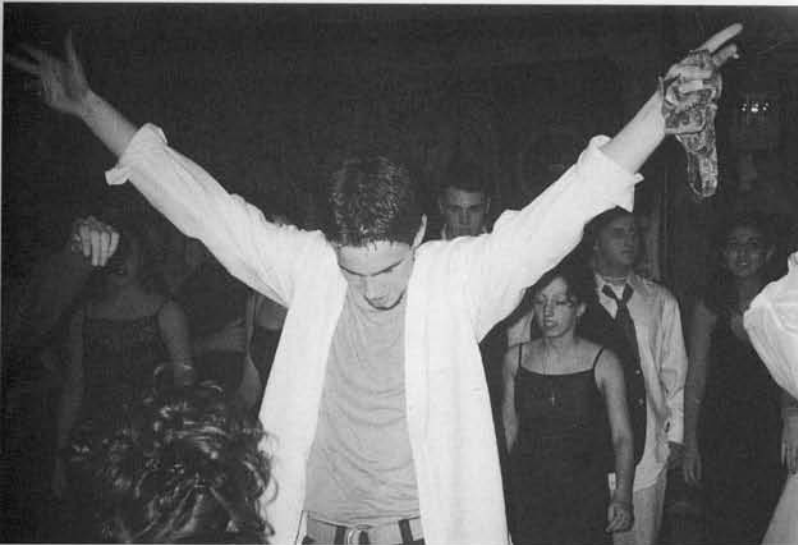

Spring soon came and we participated in our first Field Day. This was an afternoon filled with games, food, and dancing. The end of our freshmen year had arrived. The summer of "97" welcomed us with open arms.

On September 3, 1997, we returned to the halls of Durfee feeling more confident and mature. This year we were faced with many changes. Durfee had committed to block scheduling; this sent many of the students and faculty into a frenzy. The new scheduling system left us without study periods, and in classes for 84 minutes rather than 40 minutes. The new scheduling also changed a routine seven classes a day to 4 blocks.

In world news there were two tragic deaths that had taken place over the summer. In August, Princess Diana died in a car accident and days later Mother Teresa died of

The Swim Team Beth, Catie, Christine, Katie, Nicole, and Karyn before their last home meet of the season.

old age. On October 1, 1997, tragedy struck the community when former member of the Class of 1999, Jordan Lopes lost his life in a fatal car crash. He remains in our prayers.

November quickly strolled around, it was the time of year again for door decorating contests, penny drives and spirit week. On November 28, 1997 we attended our second Homecoming Ball this year's theme was "Latin Colors."

A few weeks later, the Sheriff's Department and the K-9 dogs arrived for a drug sniffing invasion on our school. Thankfully nothing was found in the search.

The holiday season arrived and many of the clubs and organizations participated in community service projects. After a relaxing two weeks vacation, we returned to school with only four weeks left to the semester.

Spring crept around the corner with the girls' softball team winning the Massachusetts Division 1 State Championships. In May we engaged in the events of Field Day and had an exciting afternoon. Not long after, we were on our way to summer vacation.

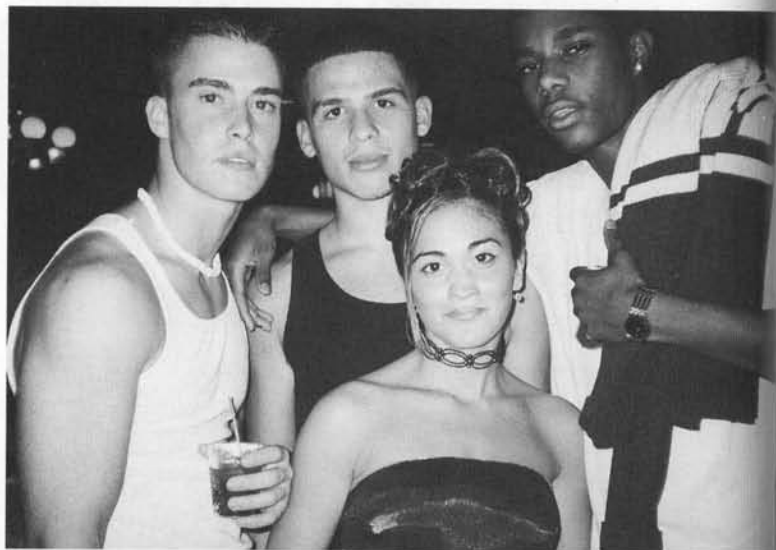

On September 9, 1998 we entered Durfee's

halls as upperclassmen. As the year progressed, we looked forward to spending more time engaged in our social activities, working part-time jobs and getting a license. We knew this year's grades were important for next year's college applications, so our academics were more important than ever.

Spirit Week arrived before we knew it, this year our class tied with the sophomores in the penny drive. The Thanksgiving Game was a tough battle for the Toppers; they were up by 14 at the half, but lost the game to the Whalers by one touch down and a field goal. On Friday November 27, we celebrated the Homecoming Ball. This year's theme was "Motown."

Early into the year, Durfee was named an "outstanding" high school in the U.S. News and World magazine. The national magazine reviewed 1,053 schools and singles out examples that can serve as models across the nation and our school was one out of 96 schools identified for its excellence.

In February and March, the Student Government held their annual blood drive. This year there was an exceptional response to

Ryan, Brandon, Joyce, and Joe at Homecoming 1999 posing after a long night of dancing.

The Student Government worked on the Peace Garden all through the year last year. It is dedicated to Brian Biancuzzo.

the drive, so we held two drives; both were huge successes.

In April of 1999, tragedy struck our nation when in Columbine, Colorado two teenagers went on a shooting spree killing several classmates and injuring others. This tragic incident set the nation into an uproar. This all hit home when bomb threats were made here at Durfee, causing the whole school to be evacuated to the football field. This left students scared and unaware if these were threats or if we were in real danger. In May, the student government held their dedication ceremony of the Brian J. Biancuzzo Peace Garden. The garden serves as a place of solitude and peacefulness.

On June 2, 1999, we celebrated our Junior Prom at White's of Westport. "Always" was the prom's theme song. It was an evening not to be forgotten, as we dressed up in very formal attire for the occasion.

On June 5, 1999, we took our first of three SAT exams. College was just around the corner. Summer had arrived and the Varsity Cheerleaders attended a four day camp at the Mass. Maritime Academy. They worked hard beginning at 8AM and ending

at 9PM. The girls competed on the last day of camp and brought home two first place trophies and one third place. This summer would be filled with college visits and choices that would affect us for the rest of our lives.

On September 8, 1999, we re-entered what was now "our" school, we were seniors rushing, and hurrying around looking forward to graduation. By September most of us had already taken our yearbook pictures. Those images would be the lasting images of our brief high school careers. We still had time, however, to make other enduring impressions on the candid shots that would be taken of our academic, athletic, and club activities. Our senior year began with bomb threats and fire alarms that left us stranded in the cold while the fire department investigated. After arrests were made, the false alarms finally came to an end.

The City of Fall River was shocked when its City Hall began to crumble. It caused confusion and traffic jams, with main roads blocked off by the disaster.

On November 17, we gathered in the field house to take our panoramic picture of the Class of 2000. During the brief gathering we

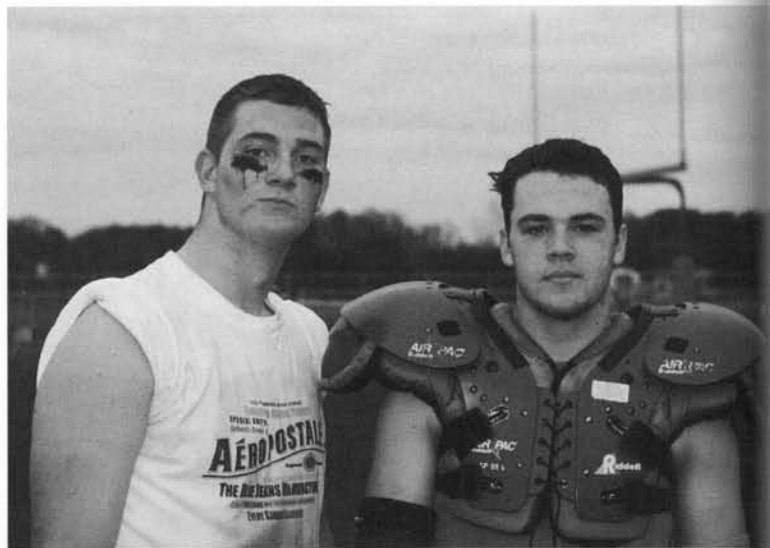

Beth Long, Katie Greene, Jessica Pereira, and Jessica Spence at Homecoming Junior year.

felt a sense of togetherness and belonging.

This year Durfee adopted the house system. We now had a green, blue, white, and gold house, instead of separate offices. This change also meant that our vice principals would no longer be with us. Now we all had new vice principals and adjustment counselors. The new housing system changed some of the traditional events of spirit week. This year, we dressed in Hawaiian attire and our house colors. For the first time in years, the seniors lost the door decorating contest to the juniors. We also did away with the penny drive.

This year's Thanksgiving game had an unbelievable turnout. With rain pouring harder than predicted, the fans still came out to support the Toppers. The Toppers had a rainy long battle through the first half of the game with the Whalers ending on top. But the Toppers came back in the second half of the game making an amazing comeback, although we lost 20-19, this was the closest Durfee had come to winning in years. For the last time, we supported our team as Durfee students, feeling that final sense of pride.

Seniors Nick Christ and Mike Gomes pose for a picture after a hard workout, getting ready for the Thanksgiving Game.

On November 26, we attended our last Homecoming Ball. The theme for this year's ball was "Swing into the Millennium." Seniors Amanda Besset, representing Cross Country, and Yin Pun Hung also known as Rex, representing String Orchestra, were crowned homecoming Queen and King.

As seniors, we faced a flurry of forms applications, and deadlines. In the mix of all this we were reminded to order class rings video yearbooks, yearbooks, and pictures. Representatives from various colleges and universities visited Durfee and provided information sessions on their offerings. Every branch of the military sent recruiters to give us insight on what they had to offer to our future. The guidance office soon became the busiest area of the school. With the overwhelming excitement and questions we had we needed the expertise of our staff counselors.

To help ease the pressure of the college bound, many took part in Senior Follies. Juggling school schedules and work schedules was not that easy but everyone managed to have fun during an unforgettable performance. We experienced that special

Rex and Amanda, the King and Queen of the 1999 Homecoming Ball held at Whites on November 26.

bonding that events like follies promotes. We may have forgotten words to our skits or dance steps but the togetherness we felt during the finale of our final performance will always remain.

When the first semester ended on January 28, 2000, we breathed a proverbial sigh of relief. For the most part the college applications and financial aid forms were complete. We looked forward to a long stretch of "Senioritis."

We still had issues of concern. We had to have our caps and gowns measured and our names verified on our diplomas. We were nervously waiting to hear from the colleges that we had applied to and how much financial aid they would give us.

In May, we attended our last Field Day. The afternoon was filled with flag football games, volleyball tournaments, and lots of food.

On June 1, 2000, we joined formally for the last time at our Senior Prom. Here the president of the class, Joyce Paulo, welcomed and addressed us with her last speech as the president of our class. We selected "It's so hard to say good-bye" by

Joyce Paulo, became class president freshman year and continued to hold this position through out high school.

Senior girls posing for a picture at their last homecoming of their high school career.

Boyz II Men to be our them song. That night was wonderful. We attended the after prom held in the gymnasium. It was an enjoyable time: we were entertained with sumo wrestling, palm readings, and an amazing hypnotist.

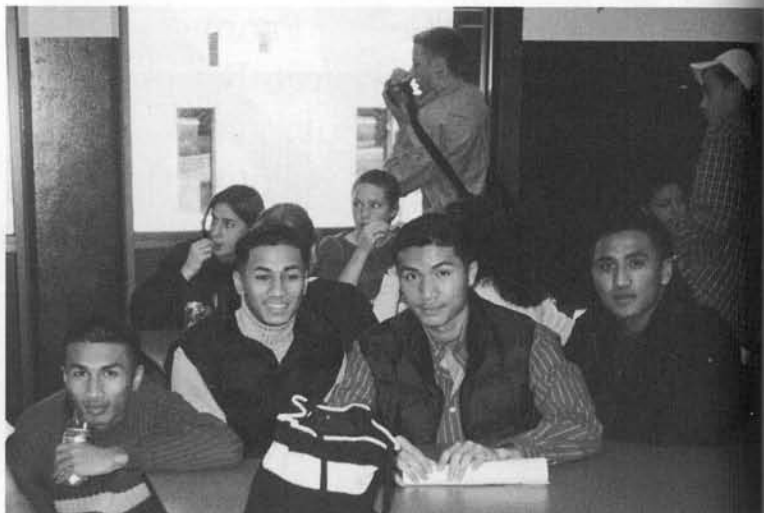

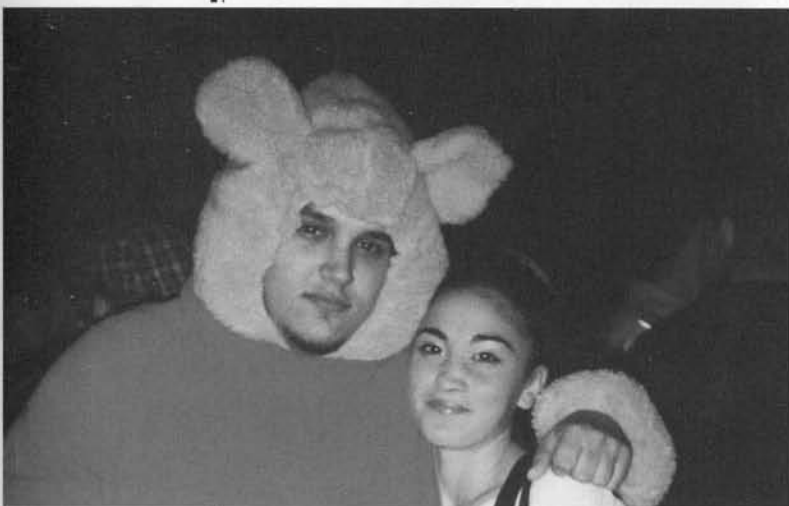

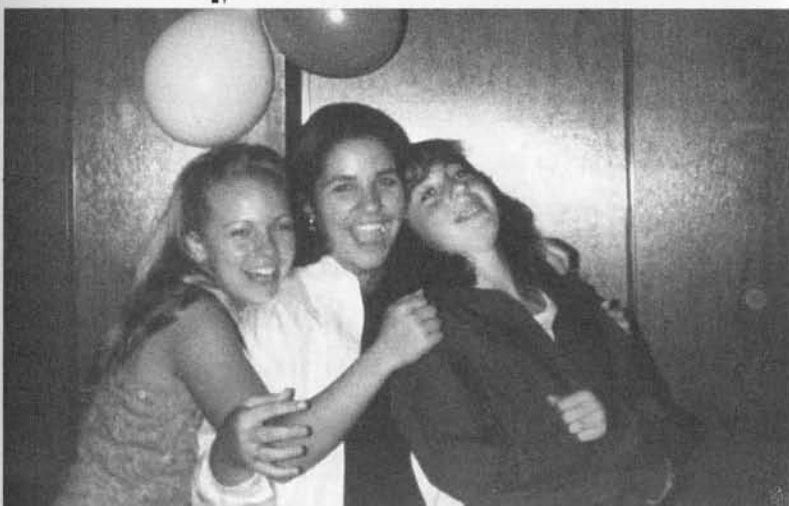

On June 9, 2000 we assembled in the cafeteria for Class Night. As we signed yearbooks and said some early goodbyes, we realized how soon we would no longer attend Durfee High School as students. This time was used to reflect on the BEST four years of our lives.

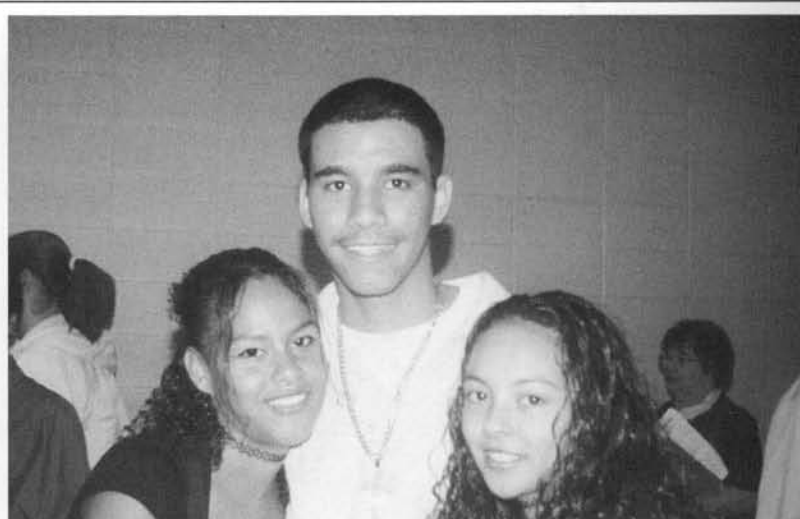

Sunday, June 11, 2000, we met for the very last time as the CLASS OF 2000.

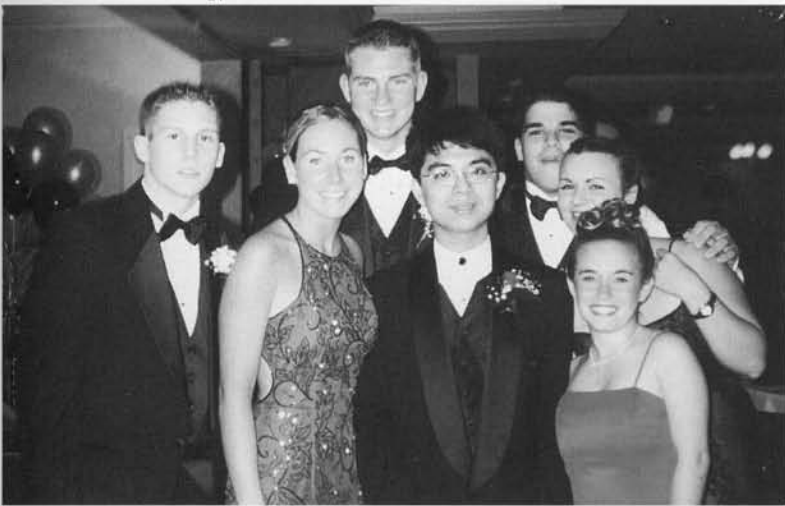

In solemn procession, we marched onto the field in cap and gown eager to turn the tassel. As each of our names were called by Mr. Attar, we received a congratulatory handshake from school committeemen on a job well done, and accepted our diplomas. Proudly we walked off the stage and into our futures as the **FIRST CLASS OF THE NEW MILLENNIUM.**

Vice-Principals messages to the Class of 2000

John Connell
White House Vice Principal

Your graduation represents the culmination of years of hard work and participation and I commend you for your success and accomplishments.

This is the beginning of all your tomorrows. You are a member of an elite group of men and women; you are a Durfee Graduate, and whatever course your future takes, it is my sincere hope that you will look back on your years here as having prepared you to meet and deal with the challenges that life will present.

On behalf of Ms. Proulx, Mrs. Leduc, and Mrs. Neville I wish to each of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. May the future be yours.

John Connell

Congratulations to the Class Of 2000 from the Green House staff on your graduation from B.M.C. Durfee High School.
May you have good fortune to continue your endeavors for success throughout your careers.

Lorraine Joncas

Lorraine Joncas
Green House Vice Principal

Dear Class of 2000,

Let me congratulate you in the occasion of your graduation and to commend you for your achievements. During the past four years, you have grown more poised and confident. You have contributed to your school, and that contribution has helped your own development.

I know you will do well and will continue to make everyone proud of your accomplishments. More than that, I know you will continue to be the fine young men and women you have become.

Best wishes in all the years ahead. May they be happy and fulfilling ones for you.

Fernand Letendre

Fernand Letendre
Gold House Vice Principal

To The Class Of 2000,

I truly enjoyed the three years we had together as a class, and I continue to appreciate the constancy of the members of the Class of 2000. I am grateful for the opportunity of having known so many of you.

Whenever we came together as a class, I emphasized one particular theme. I will take this opportunity to sound that theme once again. We have all been given different abilities, talents, and strengths. However, it is always within our power to be kind and to treat others with common decency.

May you live your lives in such a way that by your example you teach others the benefits and necessity in living one's life in kindness to and consideration of others. Greet each day as a new beginning, and don't be afraid to dream.

I congratulate you and your family. I wish you well.

Marina Ventura

Marina Ventura
Blue House Vice Principal

A message from the Principal

My heartfelt congratulations and Best Wishes to each of you as you begin a new chapter in your young lives.

Your graduation from B.M.C. Durfee High School is an important milestone which marks the culmination of four years of academic and personal growth.

Each class of graduates is confronted by a unique set of challenges and opportunities which are products of the times in which we live. The present world is characterized by many complex and unprecedented issues and challenges; yet, none are insurmountable, for within each challenge there exists an opportunity for those who are willing to confront and persevere.

You have the opportunity to seize the promise and to create success and a worthwhile future. Success is not always the result of special talent or special circumstances. A large measure of success is based on hard work, self direction and commitment.

You have been educated in an environment which respects diversity, promotes involvement, rewards effort and affirms the fundamental rights of all individuals. Those are basic values which must become an integral part of your future.

Each of you is a unique individual with special strengths and abilities.

Believe in yourselves, your goals, and your convictions. Have the courage to persevere and to attain your dreams.

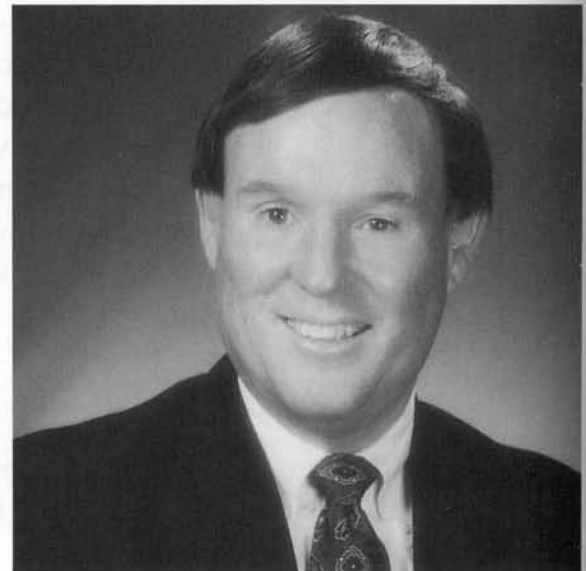

My sincere best wishes to each member of the Class of 2000.

Albert J. Attar
Principal

A message from the Superintendent

To the Class of 2000, I take this opportunity to wish each and every one of you nothing but success as you move into the next phase of your lives. I hope you take the educational opportunities that you have received in the Fall River Public Schools and utilize them to provide yourself with a high quality of life, while at the same time sharing your ability with your fellow man. We are all very proud of your accomplishments and we look forward to seeing you do much with your lives. I hope each of you takes the opportunity to thank and commend a parent, a brother or sister, an aunt or uncle or other appropriate family member, as well as one or two of your teachers, for all that they have done to ensure that you are ready to face life's challenges. Congratulations on your accomplishments, and continue to reach for the stars to be the best that you possibly can be.

James M. Gibney
Superintendent of Schools

A message from the Assistant Superintendent

Do you believe that twelve years have passed since you took your first giant step into the Fall River Public Schools? Your determination and accomplishments over these years, culminating with your graduation from B.M.C. Durfee High School of Fall River, have given you the necessary tools to compete in the new millennium with any student from any school across this nation whether you choose to further your education or enter the job market.

If you bring the same high standards and qualities that you possess to your future endeavors, there is no question that you will be successful and happy in whatever you choose to do.

Congratulations to each and every graduate, and may the future bring success and happiness to you.

Richard M. Pavao
Assistant Superintendant of
Schools for Administration

A message from the Assistant Superintendent

Congratulations, Class of 2000, on the occasion of your graduation. Your hard work in the last four years has prepared you well for the challenges of the new century. You should be proud of your academic achievement and of the work you have done in school and in the community through jobs, clubs, and volunteerism.

Your family, friends, and teachers are justifiably proud of you and expect you to make great contributions as citizens of your city and country. They know you will use your education not only to improve your own life but also to serve others and make the world a better place. Best wishes for success and happiness in your future lives.

The Editors' Page

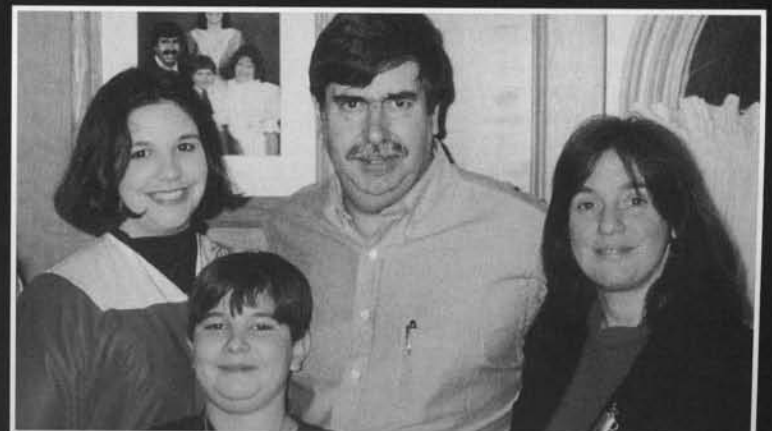

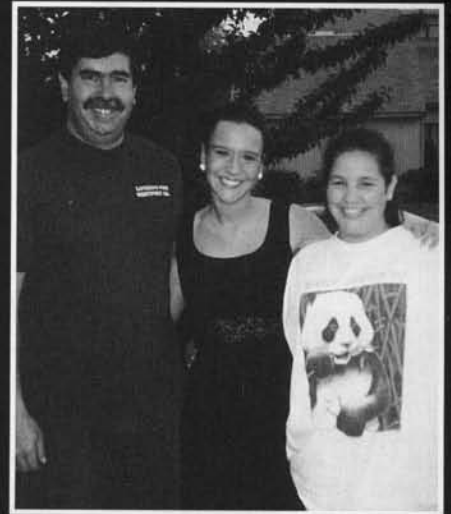

We are the class of 2000. As we say goodbye to our friends and these large winding halls that we call school, we look back at our four long years here and all the memories that we have shared. The yearbook's purpose is to try and capture as many of those memories as we can. The yearbook staff, as small as it was, tried its very best to have a variety of people shown throughout the book. There has been a misconception in what the yearbook staff is. Way back in the beginning of the year, I held a yearbook meeting. Many, many people showed up. They all wanted to be on the staff. I thought, "great, we're going to have a lot of help this year unlike other years in the past." I was wrong. Out of the 50 people who came to the meeting, two people actually helped, and a few who never came to a meeting helped even more. Just because you came to that meeting doesn't mean you are on the yearbook staff. These are the select few that helped me along the way.

I would like to thank the Block C Journalism I students who helped in whatever way I asked them to. I would especially like to thank David, who help me a great deal, especially with cropping and whatever else I asked him to do. Even though he never officially signed up to be on the yearbook staff, he was definitely the best staff member I had. I would also like to thank Julie, Amanda, Melanie, Paula, Lauren, Jessica, Missie, Jimmy and Janessa for helping with those little things that put the book together, especially the profiles. Joyce, thanks for writing the class history and just helping along the way. I would also like to give some recognition to Jay and Buddy for taking some of the faculty pictures you see in the yearbook.

Thanks to Chestnut Hill Studios for an outstanding job with the senior portraits and for all the great sports candids. I would also like to thank our yearbook representative, Norval Garnette, who was always there when I needed him. Miss O'Neil, thanks for always being there when I was having my breakdowns and whenever I was ready to quit.

Finally, I want to thank Mr. V., or, as I prefer to call him, "dad," you always kept pushing me and never let me give up. You were always there. Even when you weren't actually in the building, I knew you were just a phone call away whenever I was having a problem. Without my family, I would have never been able to do everything I have done. To Mom and Jon: thanks for all your help and support. I really appreciate it. To the Class of 2000, I hope you enjoy the yearbook. As you can see, a lot of hard work has gone into creating it. Enjoy!

Anne Vieira,
2000 Yearbook Editor

Conversations with the three Jenn's in homeroom was always interesting. There was never a day the drama was the same. Hanging out at Debby's house with Steve and Justin was what I enjoyed to do all summer. Trips to the campus store with Cathie to visit Jessica would always end up with embarrassing stories being told. Thanksgiving at my grandmother's was the same as usual. Getting sick was not planned but always will be very funny. Celebrating the New Year at Amanda's house with some of my good friends and my boyfriend was one of my best memories.

To Amie and Sandra for some of the best years of my life. Amie coming over for the first time (my friend!my friend!), saving Sandra's sweater from burning, going to "Stalker's Store," rolling our eyes at those "cool" people, looking at each other and laughing for absolutely nothing. I love you two! To Rania, Lesly, Spence (sped), for those AP Chem nights ("guys my head kille", belly dancing at Rania's, going to 99 (try it, Rania, I swear it doesn't burn.") Thanks for the awesome times! To Tiff and all that PT baby! Luv Ya! To my beautiful Mer, for calming my "augneas" about Mr T's papers and being my best friend, as well as my mother. I love you more than anything.

Four years summed up in such a small space. When I just started high school my teacher said these four years would fly by. Here I am four years later, and I have to say they were right. At least I can say I learned many lessons, some from teachers, some from friends, and may from trial and error. Scott M: thanks for teaching me useless knowledge about music. Kyle V: for sports and grass stain removal 101. Mr. B.'s Sex Ed. Psych Class. Matt P: for comic relief. Everyone else you know who you are, thanks for making these four years turn out great! To Jared S: I have 2 words for you: "No....Yes."

Well the time is finally here and I wanna thank my mom, sisters, brother-in-laws, and grandma thanks for all the help and for always being there and even though dad you're not here anymore I know you still watch over me and thanx you for making me what I am today. I love you and I miss you. Also to my boyfriend Fabio, thanks for everything, I love you. To my best friend Mel thanks for everything and being there, I Love you like a sister. I don't know what i would have done without you. We've had some crazy times together like stamping, sleepovers, makeovers, and I'll never forget you puking overboard on the whale watch. Mel remember leaving during bomb threats, basketball, malls, and getting mooned. Now to my other friends at the lunch table Adam, Gus, Jay, Kyle, Deb, and Mel you guys are the greatest!!! Deb never forget the bonding we did in gym class, and Tammy sorry for almost poking your eye out in gym when we had archery. Thanks to fil and grace for everything and to Liz never forget Port classes. Good luck everyone and Good bye Durfee!!!

Wow, senior year, what an experience! I've been waiting for graduation all my life and now...I'm dreading it. First of all, I want to tahnk my mom for being the best mom she could be and always being there when I needed her. Jocelyn, my one and only sibling through everything we stayed tight, thanks. Dad thanks for being there for me to fall back on. I'll never forget our summers at the beach...I love you. I'll never forget losing my senior wrestling season to a broken arm which gave me a broken heart. Everything happens for a reason. I wanna thanks Alves and Perreira for showing me everything I know leaving me...to show me I could do it myself. Volleyball!!! The funnest sport and having all my best friends on my team made it even better, guys, we're the closest now we're ever going to be, let's make it count! Goldy, sick facial, Phenix, Nutcase, Norky, me and you throw the best parties. Well, it's closing time boys, time to open the next chapter..time for me to shine!! peace, thanks.

"I shall pass through this world
but once.
If, therefore, there be any kindness I can show,
or any good thing I can do,
let me do it now;
let me not defer it or neglect it,
for I shall not pass this way again."
