## **Advanced Search**

The committee decided that the Search box default will be Keyword.

The committee also needs to select which Item Types to include as options. These will be based on Director's Station data.

The committee also must make sure that Craftyspace is working on the location of the faceting section.

## **Catalog page**

The committee decided that this page will be the same for all libraries.

## **Etc.**

Laurie will resend the link for the SOPAC Web site demo to the committee members, and she will meet with Kate (SirsiDynix) regarding iBistro maintenance.

## **Next meeting**

The next meeting is scheduled for March 24, 2010, 10:00 am, at the SAILS office.
